1. The Indonesian Communist Party has been instructed to discredit the motives of other Moslem countries taking an interest in Indonesia. It is rumored in Indonesian Communist circles that the Communist world will give Turkey an ultimatum before the end of 1951, demanding it abandon its pro-Western policy. An effort will be made to prevent the ultimatum from appearing anti-Islamic.
2. The Indonesian Communists also claim Tito is to be killed and a new war of nerves, relating to the Dardanelles, begun in the Black Sea area. This activity will be coordinated with decisions taken in connection with the Korean war.
